51st Japan Language Testing Association (JLTA) Research Meeting

Date: November 22 (Sunday), 2020 (10:00-17:00, Japan Time)

Platform: Zoom

Theme: Improving scoring methods in English speaking assessment (Part 1)

Language: English

Abstract: Second language speaking assessment involves a variety of factors, in particular, tasks, rubrics, and scoring. This meeting focuses on scoring methods and invites researchers who are intensively involved with English speaking assessment in various contexts including high-stakes and classroom assessment. We will learn from various practices and challenges in each context and discuss how English speaking assessment should be conducted in Japan.

Capacity: 150 participants (due to Zoom connectivity; 80 for JLTA members; the remaining 70 for non-JLTA members; determined on a first-come, first-served basis)

Host: Japan Language Testing Association (http://jlta.ac)

Co-host: Rie Koizumi Kaken Project (supported by the Japan Society for the Promotion of Science (JSPS) KAKENHI, Grant-in-Aid for Research (C) Grant Number 20K00894; "Development of scoring guidelines for ensuring rater reliability in L2 English classroom speaking assessment at senior high schools in Japan"; https://kaken.nii.ac.jp/ja/grant/KAKENHI-PROJECT-20K00894/)
